

Proposal Synopsis

- Deadline: Wednesday November 11 at 23.59 pm.
- Upload it on Brightspace as Turnitin assignment.
- Every student is to upload a synopsis...
- but the two students in the same team will upload the same synopsis.
- You will need the synopsis (digital!) during the Reflective assignment on Friday.
- There are no length requirements. The synopsis should allow readers to follow your reasoning.
- You will **not** obtain a grade for the synopsis but handing it in on time is mandatory.
- Note: use the same headers in your presentation of the project on Thursday.
- Good luck!
